DIGEST SHEET

TITLE OF ORDINANCE: Special

DEPARTMENT REQUESTING ORDINANCE: Purchasing

SYNOPSIS OF ORDINANCE: An ordinance approving the award of Ref. No. 2FLP002 for contractual services of various electronic and pneumatic instruments for 1992 for the Filtration Plant. The cost reflects the most responsive vendor.

IF NOT LOWEST, WHO WAS AND WHY WERE THEY NOT AWARDED:

EFFECT OF PASSAGE: Support and service for electronic and pneumatic instruments to measure and monitor the operation of equipment and components at the plant that need and require the expertise to maintain operation. Hurst Tech. Services shall furnish competent personnel, tools, test equipment and service.

IF REPLACEMENT, WHAT NECESSITATES:

J-91-11-56

EFFECT OF NON-PASSAGE: Without these services, the plant would be void of personnel to service various instruments, electronic gadgetry and meters to allow a smooth operation of repair and functioning of the treatment of water. The possibility of mistreatment or over treatment of water due to malfunctioning of instruments could be quite costly to the City as well as an eminent danger to the quantity and quality of the supply of water to the patrons of Fort Wayne, should a major shut down occur. Hurst Tech. Services can have a service man, that knows this facility on hand in less than an hours notice to tend to the emergency.
